

## Jøtul F 100 Nordic QT

Jøtul has done it again! Based on the overwhelming success of its gas stove cousin and previously introduced in Europe in 2001 with remarkable acceptance, the Jøtul F 100 Nordic QT, continues our tradition of clean-burn woodburning design and innovation. With its decorative latticework based on a Norwegian sweater pattern, this stove is the perfect space heater for cottages, camps & smaller living areas.

Jøtul F 100 Nordic QT in Blue-black Porcelain enamel

- **Qualifies for up to \$1,500 tax credit**
- Largest fire viewing area for any cast iron woodstove this size
- Manufactured with built-in rear & bottom heatshield, which provide excellent clearances when using double wall chimney connector
- Jøtul Simplex™ non-catalytic clean burn system puts more heat into the room without sacrificing fuel load capacity
- 5 year limited warranty
