

Jøtul F 600 Firelight CB

A warm, wonderful centerpiece for your hearth and home. This furniture quality cast iron stove is the largest non-catalytic cast iron woodstove in the world. Durably built and superbly crafted, the Jøtul F 600 Firelight CB offers both front and side loading convenience in a classic design inspired by colonial American furniture. With a screen for open door fire viewing, mobile home approved leg bracket kit, outside air adapter, bottom and rear heatshield, and a choice of three enamel colors, this is a complete home heating system with unparalleled design.
