### Basic Post Installation

Complete assembly instructions are included with each mailbox.

- Place 4 x 4 post\* in ground, leaving 18" above the ground.
- Back fill post hole packing earth firmly to secure post.
- Slide aluminum post over 4 x 4 post.
- Secure aluminum post to 4 x 4 with provided lag bolts.
- If applicable, attach brackets, finial or cap, and mailbox to aluminum post with provided hardware.

\*4" x 4" x 48" post not included.

All prices are effective August 1, 2008. Prices shown are suggested retail and are subject to change without notice.

### Makes a big first impression

- Extra-large capacity, 14.5" x 15" x 8" mailbox holds oversized envelopes and magazines without folding.
- Durable, die cast, rust-free aluminum and finished with weather-resistant, powder coat paint.

You can choose to add a personalized aluminum address plaque for \$55.
