## Taste the Difference Heritage Makes

Be the envy of all your friends and neighbors with our new series of Signature Heritage Grills from Vermont Castings! We've put the style back in sizzle with these beautiful natural gas or propane grills made in the same handcrafted tradition and with the same attention to detail that flavors all of our Vermont Castings products. We offer you more BTUs per square inch than any of our competitors and our grills come in a variety of models, styles and sizes to suit your outdoor living space and grilling lifestyle. With a multitude of standard features and optional accessories – including single source ignition and cast iron cooking surfaces – it's no wonder our grills have won awards! So add some style and flavor to your next meal and get back to the thrill of the grill with a new Vermont Castings Heritage Grill – it's sure to spark more than one dinnertime conversation!

VCS400ES

### Heritage VCS500

With sturdy 304 stainless construction and 62,500 BTUs of "grill power," this five burner grill is the ultimate choice for serious grill aficionados. Available in all stainless or stainless and black enamel, the Heritage VCS500 cart model is a rugged addition to any outdoor space. Standard features on this top-of-the-line grill include 20,000 BTU rotisserie burner, 15,000 BTU side burner, 937 square inches of cooking surface, five main burners with single source ignition, grill light, rotisserie kit, 304 stainless steel sear plates, casters, stainless towel bars, condiment trays, side shelves and doors, smoker box and cast iron grids.

### Heritage VCS400

Also available in stainless or stainless and black enamel, the Heritage VCS400 is the smaller cousin to the Heritage VCS500. Available with all of the same great features as the Heritage VCS500 but in a four burner style, the Heritage VCS400 is the perfect size for any home. Built with the same sturdy 304 stainless construction and rugged appeal, the Heritage VCS400 grill is, like all Vermont Castings grills, the absolute gold standard in outdoor cooking.

### Heritage VCS300

The perfect entry-level gourmet grill at a great price for those with smaller outdoor spaces, the Heritage VCS300 integrates the same strong 304 stainless construction with select standard features to give you the very best of the larger models in a smaller package. The three burner style offers 37,500 BTUs and 630 square inches of cooking space in either stainless or stainless and black enamel finishes.
