Wireless remote

Wall thermostat

See-Through Surround

The Charleston Poplar Surround is hand crafted using a combination of solid poplar and poplar veneer, so you can paint or stain this elegantly detailed surround. Assembly is simple with easy-to-use cam locks.

See-Through Surround (SURSTP)

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your Lennox dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale - consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Built to ANSI Z21.11.2 standard.

Agency listings: OMNI Test Laboratories.

Consult your distributor for local fireplace code information.
